Keith – PeopleFlo will stipulate to the authenticity of the packing slips and invoices previously sent. I also am looking into a copy of Invoice 1016.

John:

We have not heard from you regarding our inquiry of whether your client will stipulate to the authenticity and accuracy of your client's invoices to PumpWorks and packing slips for the MCU's your client delivered to Pumpworks. As I explained to you at court, use of these documents in the damages calculation are to your client's benefit and a stipulation will relieve you of the burden of having to authenticate them and prove their accuracy.
